

## > FACIAL PROTECTION Products

Defries Industries presents this line of Facial Fluid Protection Products to minimise exposure to pathogens from waste fluid.

# Facial Protection Products

These products offer a unique combination of innovation, quality, value and comfort for clinicians for whom personal protective equipment is a vital part of self care as they care for others.

## SPEyes™ Eye ShieldZ™

- Wrap around disposable lens for complete protection
- UltraClear™ technology prevents glare, fog and static
- Frame fits completely against forehead for splash protection from above
- Sealed lens mounting for added fluid protection
- Clip on/off design for quick and easy changing
- Coloured top strip allows finger-print-free handling
- Latex safe.
