Warnings and Precautions

The NewGen Surgical O.R. bowls are manufactured with natural materials. With these materials, some discoloration, texture variation, or fiber inclusions may be present. Cosmetic appearance does not affect the performance nor sterility of the product.

To ensure performance, do not submerge in water or other liquids. Do not use excessive force.

This bowl is manufactured and sterilized for single-use only.

Do not reuse, reprocess, or resterilize. Reuse, reprocessing, or resterilization may compromise the structural integrity of the medical bowl and/or lead to medical bowl failure.

Store in a cool, dry place.

Do not use if product is damaged. Do not use if package is open or damaged.

Any serious incident that has occurred in relation to the product should be reported to the manufacturer and the competent authority of the Member State in which the user and/or patient is established.
