

MEDICAL LABELS

Please contact Customer Service on 1300 550 278 to discuss your label requirements. Our durable pre-printed Sterile and Non Sterile labels are used throughout the hospital in different wards such as the Emergency Department, General Wards, Sterilising Dept, Operating Theatre and Intensive Care.

Our labels are designed to clearly and easily identify items in a hospital on a professional, easy to read label.

STERILE PERI-OPERATIVE LABELS

These labels sheets are customisable according to the National Recommendations for user-applied labelling. Please contact our Customer Service on 1300 550 278 for further information.

Labels sheets are printed, folded and packaged in a peel down pouch and then sterilised.

Labels sheets are waterproof and can be written on by surgical marking pens such as the DEF3219 Surgical Marker Permanent Fine Tip.

LAB9009 and LAB9010 are currently used in hospitals and are available to order from Defries Industries. Alternatively, you can design your own label sheets for your department requirements.

Economical price and easy to use and read label sheets, ready for every procedure.

Sterile and latex free.
